THE BIGGEST EVER JUNIOR RUGBY LEAGUE FUND RAISING EVENT

Fan Tastic Games have donated one copy of their exciting new board game, **Rugby League Trivia** to every junior rugby league club in Australia to raffle, for the benefit of their club's fund raising.

More than 600 junior rugby league clubs from Cairns to Melbourne, Perth to the suburbs of Sydney and Brisbane and all the country clubs in between are struggling for funds to keep their clubs going.

"It is a great opportunity for us to give back to the community and support Junior Rugby League" said Eddie Iwanowski founder of Fan Tastic Games.

"I have been a part of junior Rugby League for many years and I understand the struggle you go through to raise funds so that kids can just get out there and play. It has been my lifelong passion to develop a board game" said Eddie.

After thousands of hours testing the game, and verification by the Rugby League Historian and Guru, **David Middleton**, Rugby League Trivia has been completed and **licensed by the NRL**. The game will be ready for release in late August, in time for the NRL Finals, Tri Nations Kangaroo tour and Christmas.

"Considering the late stage of the junior rugby league season and to ensure the junior clubs maximize the opportunity to raise their funds, we have suggested they draw the raffle on their presentation day later in the year" said Eddie.

Fan Tastic Games is also a proud supporter of Youth Insearch who run weekend camps to help young people get their lives back on track. They will donate \$1 from each game sold.
